REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Houston Elementary has had a year of change. We have implemented the Teacher Advancement Program (TAP). This program has enabled the school to implement weekly staff development focused on the educational needs of our student population. We have strived to teach strategies to the students for them to continually apply in all areas of their learning. TAP has also helped the teachers to refine our practices and grow as learners through nationally researched best practices.

We have provided many incentives and learning opportunities for our students with the support and involvement from our parents, volunteers, and business partners. Spartanburg High School Service Learning Students and Helping Hands Volunteers provided countless hours tutoring and individualized student assistance. The Healing Touch, Hardee's, Applebee's, McDonald's, Chick-fil-A, Mamma Shack's, and Pizza Hut all provided numerous achievement prizes and much needed school supplies for our students. The PTO provided books for all students to read during the summer and discuss in schoolwide book clubs the night of PTO open house. These invaluable gifts demonstrate the appreciation and dedication our community has for the hard work of our staff and children.

We believe it is our responsibility to prepare our students to be productive citizens and to expose them to the world beyond the classroom. Our students have participated in giving back to the community through performing concerts and gift giving in the area nursing homes; service learning projects including Zig the Pig, which helps care for families in South Carolina who face pediatric cancer; writing letters of encouragement to our troops serving in the military; and providing care packages for troops in Iraq and Afghanistan.

We also provide our students with field trips designed to enrich the students culturally and educationally. We have visited the public library, state museum, the zoo, businesses, a Renaissance festival, Camp Greenville, Barrier Island Environmental Education Camp, and Charleston. All of these trips are available to all of our students, thanks to our PTO, fundraisers, and donations from members of the community.

We encourage parents and the community to take an active role in the education of our students at Houston. They are our legacy and our hope for the future!
